

List of errata:

Page 34 – Table 3.2

There is no "I" or "O" in the list. It should go from H for separators, which is correct, to J (conveyors). Then K (instruments), L (pumps), M (agitators, mixers), N (motors, drives, etc.), P (package units), Q (furnaces...), R (reactors), S (size enl.....) , V (vaporizers), X (misc.).
